

**REMARKS**

In the specification the paragraph regarding "Brief Description of the Drawings", page 4, lines 10-15 has been deleted. Thus the requirement for drawings and a newly executed declaration covering the items is no longer necessary.

As now amended, the application is considered to be in proper form and directed to patentable subject matter. Prompt reexamination and allowance of the claims is requested.

Respectfully submitted,

  
Attorney for Applicants  
Registration No. 42,334
